

## INDEX

- Accidents, incidence of in cases, 17-22, 183
- Action taken by percipient; *see also* Percipient
- absence of correlation with additional details, 28, 153
  - absence of correlation with agent identification, 24
  - absence of correlation with seriousness of agent's situation, 29
  - correlation with agent focusing, 24, 29, 180, 183-184
  - definition of, 23-24
  - examples of, 23-25, 147
  - incidence of, 23-25, 27, 183
- Adamowski, Mme Antoinette, case of, 171, 172
- Agent
- defined, 14
  - focusing on percipient, 24-26, 28-29, 82, 178-180, 183, 195
  - identification of, 24-25, 27-29, 183
  - possible multiple, 14-15, 182
  - sex of, 15-16, 182
  - situation of, 10, 17-22, 28, 183
- American Society for Psychical Research, 8, 12, 14, 111
- Anxiety, paranormal communication of, 26-27
- Apparitions, 156-158, 161-165
- Arrival cases, 134
- Authenticity of cases
- criteria for, 10-12
  - defined, 12
  - evidence of, 14, 29, 186
- BARRETT, W. F., 109
- Benevolent feelings, paranormal communication of, 133-141
- Berendt, Mrs. Penny, case of, 172-178
- BERGSON, H., 187
- Bolles, Mrs. Lola, case of, 124-126, 153
- Boston Society for Psychic Research, 12, 14
- CARLSON, C. F., vii
- CARLSON, D., vii
- Carroll, Mr. James, case of, 2-5
- Cases of apparent paranormal communication
- awareness of emotional distress of another at a distance, 74-77, 78-79, 83-88, 167-168
  - awareness of threatening circumstances away from home, 55-56, 88-91, 125
  - news of death, 3-4, 5, 8, 31-34, 52-55, 56-61, 68-70, 161-163, 169-170, 172-178
  - news of illness, 37-46, 51-52, 77-78, 80-83, 110, 117-124, 154-155
  - news of untoward event at home, 7, 34-37, 46-51, 64-67, 70-73
  - simultaneous awareness of an accident, 61-64, 109-112, 113, 115-116, 156-160, 163-167
  - warning impressions, 93-97, 99-108, 129-130
- Churchill, Sir Winston, case of, 96, 98
- Clairvoyance
- contrasted with telepathy, 179
  - in "hunches," 98
- CN, Professor, case of, 6-8
- Collective impression experiences, 144
- possible contributory factor of group action, 145
- Commonwealth Fund, vii
- Conviction, feeling of on part of percipient, 24-26, 166
- Couvade, 108, 127
- DALE, L. A., vii, 12, 111, 139, 148
- DEAN, E. D., 186
- Death, event communicated by paranormal means, 17-21, 26, 28, 183
- incidence of in cases, 17-21, 29, 183
- Depressive feelings, paranormal communication of, 26-27, 147
- Details, additional, in the communication, 28, 148-149, 154-178, 180-181
- Dishonesty and deception, paranormal awareness of, 61, 128-132
- Dreams
- impressions and imagery occurring in, 170-173

- incidence of in surveys of spontaneous cases, 2  
 more frequent in surveys of cases than impressions, 2, 187  
 similarities to impression cases, 149
- Eames, Mr. E. G., case of, 94-95
- EHRENWALD, J., 8, 131
- EISENBUD, J., 114
- Emotional components of experience, 19, 22, 26-27, 29, 133, 146-147, 150
- Emotional ties in communication, 17, 178
- Experiments in parapsychology, advantages and limitations of, 9-10
- Extrasensory perception  
   differing capacity for image formation during, 148, 153  
   emotional changes occasioned by, 186  
   evidence of in impression cases, 9-11, 182, 184-187  
   a possible factor in illness, 113
- Fenzi family, case of, 161-163
- FIGAR, S., 186
- FODOR, N., 131
- Frémont, Mrs. John C., case of, 134-135
- FULLER, M. M., vii
- GARRETT, E. J., vii
- German series of cases, 1, 15, 133
- Good news, paranormal communication of, 2, 133-135
- Gradations characteristic of natural phenomena, 9, 185-186
- GREEN, C., 19, 25
- GURNEY, E., 109, 159
- Guyon, Mme, case of, 133, 139
- Hadselle, Mrs. C. A. C., case of, 5-6
- Hammond, Dr. Jerrold, case of, 96-97, 98
- Harrow, Mr. Edward R., case of, 51-52
- Hellström, Mrs. Eva, cases of, vii, 31n, 73-83, 100, 102, 148, 153, 179
- Heywood, Mrs. Rosalind, cases of, vii, 55, 83-91, 94, 110, 114, 133, 148, 153, 179
- HODGSON, R., 5, 130, 134
- Hostility, paranormal communication of, 128-132, 133
- Hughes, Mrs. Charles, case of, 41-42
- Human Experiences*, 6
- Human Personality and its Survival of Bodily Death*, 12, 156, 158
- Hurth, Mrs. Joicey Acker, cases of, 56-64, 83, 115-117, 126, 132, 136-139, 148, 149, 153, 179
- Hyperesthesia, a possible alternative explanation for apparent telepathy, 150
- Hypnosis  
   in paranormal communication of pains and tastes, 109  
   resemblance of percipient behavior to post-hypnotic suggestion, 25, 147
- HYSLOP, J. H., 96
- Identification of agent by percipient, 25, 27, 141, 183
- Identification with agent by percipient  
   factor facilitating paranormal communications, 127, 148, 177  
   in physical symptoms, 108-109, 126, 147
- Illness  
   incidence of in cases, 17, 22, 183  
   precipitated by paranormal communications, 114, 126
- Imagery  
   following impression, 151, 155, 163, 167-169, 170, 181  
   inhibition of, 151-152  
   matching of details as evidence of significance, 11  
   preceding impression in same experience, 171, 172-173  
   predominance of in reports of experiences, 1  
   related to percipient's response patterns, 148
- Impression cases  
   criteria for, 10-11  
   difficulties in verification of, 1, 187  
   *formes frustes* of, 146, 180  
   incidence of in collections of spontaneous psychical experiences, 1, 2  
   processes of communication in, summarized, 180-181  
   "standard" defined, 146

- Inclusion of cases in analysis, criteria for, 13
- Indian school children, survey of spontaneous psychical experiences of, 1-2, 15
- Infinite Hive, The*, 90
- Intuitive cases, *see* Impression cases
- JAMES, W., 187
- Jensen, Mrs. Eleanor A., case of, 52-55, 148
- Judd family, cases of, 64-68, 92, 153, 163-165
- Jung, Dr. C. G., case of, 110-111
- Keulemans, Mr. J. G., cases of, 158-161
- Laboratory experiments in parapsychology, 9-10
- Langley, Mrs. Rebecca, case of, 34-37, 98-99
- Latency of communication, 33-34, 124
- Leonard, Mrs. Osborne, case of, 166-167
- Lillieberg family, case of, 100-103
- Lincoln, Abraham, case of, 128
- Linkage, evidence for, 187
- Localization of agent without identification, 25, 51, 146
- Lottie, case of, 8-9
- LUKIANOWICZ, H., 95
- Martin, Mrs. Dora, case of, 117-124
- Masri, Dr. Asad, case of, 48-51
- MATTHEWS, F. B., 145
- MEDLICOTT, R. W., 127
- Melrose, Mr. Ivan, case of, 70-73, 153
- Memory of names, difficulty with, 146, 151
- MURRAY, G., 94, 150-151, 178
- MYERS, F. W. H., 5, 12, 158, 187
- NICOL, B. H., 147
- NICOL, J. F., 147
- O'Brien, Mrs. Mary, case of, 55-56, 147
- Omstead, Mr. Robert, case of, 142-144
- Ostry, E., 114
- Pain, paranormal communication of, *see* Physical symptoms
- Paranoia, possibility of paranormal origin of hostility awareness in, 130-131
- Percipient; *see also* Action taken by percipient  
 awareness of agent's need, 10  
 capacity for both impressions and imaged experiences, 153  
 emotions of, *see* Emotional components; Anxiety; Depressive feelings  
 physical condition of, *see* Physical symptoms  
 relationship to agent, 16-17, 182  
 sense of conviction of, 24-26, 166  
 sex of, 15, 16, 182  
 social situation of at time of experience, 22-23, 154
- Phantasms of the Living*, 2, 12, 14, 15, 16, 109, 154, 161, 169, 170
- Physical symptoms  
 individual physical reactions to shared emotions, 124  
 induced by telepathic communication, 27  
 non-imitative, in response to agent's stress, 27, 113, 147, 180  
 possible unsuspected causes of, 126, 128, 131  
 shared by percipient and agent, 27-28, 108-128, 177-178, 180  
 sympathetic and imitative, 28, 108-126, 134, 147, 154, 178, 180
- PRATT, J. G., viii, 172, 175, 177
- PRINCE, W. F., 6, 112, 130, 149, 171
- Reassurance, paranormal communication of, 133-141
- Relationship between agent and percipient  
 family or social, 16-17, 182  
 importance of emotional, 17, 178-179
- Rhally, M. Miltiade, case of, 46-48
- RHINE, L. E., 1, 24, 25, 98, 109, 110, 152, 153
- Rosen, Miss Edla, case of, 100-103
- Rudkin, Mrs. Rose, case of, 31-34, 148
- RUSH, J. H., 111
- SANNWALD, G., 15, 133

- Schizophrenia, pain communicated in, 108
- Schlatterbeck, Mrs. W. K., case of, 105-108, 153.
- SCHMEIDLER, G. R., 131
- SCHWARZ, B. E., 113, 126
- SEARLES, H., 108
- Severn, Mr. Arthur, case of, 109
- Sex of percipient and agent, 15, 16, 182
- SIDGWICK, E. M., 14, 149
- SINCLAIR, C., 149-150
- Sleep, effect of on awareness of impression, 23, 153, 154, 181
- Social situation of percipient, 22-23, 154
- Society for Psychical Research, 1, 12, 14, 16, 19-20, 99, 129, 152
- Solitude, effect of on paranormal communications, 154, 167, 181
- Sternberg, Mrs. Sarah, case of, 37-41, 148
- Stigmata, 109
- Stradling, Mrs. Maude, case of, 103-105, 128
- Swedish Society for Psychical Research, 73
- Symbolism in dreams, 177
- Symptoms, physical, *see* Physical symptoms; Illness
- TANAGRAS, A., 131
- TENHAEFF, W. H. C., 178
- Titanic* disaster, spontaneous cases associated with, 17
- TYRRELL, G. N. M., 94
- Vlok, Mrs. Ellen, case of, 42-46
- Voodoo death, 131
- Waking state, frequency of impressions during, 23, 153, 181
- WARCOLLIER, R., 187
- Warning impressions, 93-97, 99-108, 129-130
- Watson, Rev. John, cases of, 167-169
- WENZL, A., 151
- WEST, D. J., 22-23
- WICKES, F. G., 135
- Wright, Mrs. Margaret S., cases of, 68-70, 99-100
